THIS IS THE BEST DLC I HAVE EVER SEEN IN MY ENTIRE LIFE !!!. You can dress your horse up as a pimp

10/10. As close as horses get to TF2. If you like TF2, you will like this dlc. The clothes and such can be used in The Race! DLC as well as the base game, so you can show off your cool horses to other people and become king horse dresser upper. It's a win win!. This is what Bethesda should have done when they released Horse Armor DLC...
